INTERVIEW SUMMARY

Sir:

Applicants respectfully request entry of the following Interview Summary into the record of the above-captioned patent application.

INTERVIEW SUMMARY

On August 11, 2008 Applicants' representative, Steven M. Santisi, Registration No. 40,157 telephoned Examiner Chat C. Do, to discuss this application.

All the independent claims were discussed. Agreement as to allowability of all claims was reached. Examiner agreed to enter an Examiner's amendment to each of the independent claims. The Examiner agreed that adding "wherein providing results in less physical space used than if n compress circuits were provided" would make all of the claims allowable.

No prior art was discussed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Steven M. Santisi". The signature is fluid and cursive, with the first name "Steven" and last name "Santisi" clearly legible.
